Prior consideration of CDM

6 month before project start the DNA and UNFCCC must be informed

EB49 annex 22: The project participant must inform the Host Party DNA and the UNFCCC secretariat in writing of the commencement of the project activity and of their intention to seek CDM status. Such notification must be made **within six months of the project activity start date** and shall contain the precise geographical location and a brief description of the proposed project activity, using the standardized form F-CDM-Prior Consideration.

At cdm.unfccc.int under “Project cycle search” you can see the names and host countries for the 6000 projects that are under development.
