

Programme of Activities

Actions & Support needed from Governments
and CROPS

Some ideas

- ▶ Data and data collection
 - ▶ Help establish DNAs
 - ▶ Support to find funding
 - ▶ Facilitation and coordination
 - ▶ Lobbying for capacity building
 - On CDM
 - On Voluntary market
 - On the new mechanisms post-2012
- 

It's difficult enough...

- ▶ Let's not put more obstacles in front of project developers
 - ▶ Let's work together to get carbon projects off the ground in the PICs
-
